The RMLEFCU Mission Statement

The 2019 upgrade is a bright move to keep the credit union ahead of ongoing changes in financial technology.

# RMLEFCU offices and services will close down for three days in November – and here’s why.

In November, RMLEFCU will be **upgrading its technology platform to better serve you**. The upgrade will mainly be in back-office operations and will result in a more efficient member service experience.

- **How will this affect you?** New technology will provide improved speed and efficiency.
- **New audio phone banking system** with many new options.
- **Most RMLEFCU services will close down for the conversion:**

- All branches will be closed from 5:00 pm on Thursday, October 31 through Sunday, November 3.
- Internet and mobile banking will be unavailable as well.
- Shared branching will also NOT be available.
- Debit and credit cards **WILL WORK** during the closure.

We apologize for any inconvenience this may cause and assure you that **all member services will be available at the start of business on Monday, November 4.**

Should you have any questions, please do not hesitate to contact our Call Center at 303-458-6660. Meanwhile, watch for more information in our newsletters, emails and at [rmlefcu.org](http://rmlefcu.org). Thank you!
