## Plant a financial seed for Youth Month!

To celebrate Youth Month, we want to reward your child for growing their financial education. When they complete our Financial Education Center and open a youth spend account with overdraft protection, we'll set your young saver up with a \$25 savings CD! They can watch that \$25 grow and earn

interest while they learn financial skills.

Additionally, you can teach your teenager responsibility and help them build credit while you maintain a watchful eye with an RMLEFCU youth credit card. Talk to a member representative for details.
